Payment Policy Occupational & Physical Therapy

Payment Due Policy:

Payment in full is expected when services are rendered unless prior arrangements have been made. Cash, check or credit card payment is acceptable.

Treatment information and codes will be provided on the superbill that you can submit to your insurance for reimbursement directly to you in accordance with your insurance policy. Please be aware that this clinic is only a participating provider in Medicare and Tricare. All other insurance companies will consider this treatment as an 'out of network' provider and reimbursement rates may vary.

You are ultimately responsible for payment of all services rendered, unless otherwise provided by law. You are also responsible for understanding and following the terms of your insurance policy.

I have read this policy and understand my responsibility to pay in full for treatment at the time of service.
